

**Looking for a representative from the Durham Region  
Legal Community to join a cross-sectoral  
community committee:**

**Durham CARES**

*for individuals impacted by problematic sexual behaviour*

**VISION:** To provide a coordinated, evidence-based community response for children, youth and families impacted by problematic sexual behaviours.

\*\*\*\*

Durham **CARES** is a cross-sectoral committee of Durham Region organizations formed in early 2016.

Our **MISSION** is to develop a network of coordinated services to provide and support collaborative prevention, education, assessment and treatment for:

- Problematic sexualized behaviours (ages 0-12)
- Sexual harming (ages 13-17)
- Individuals/families impacted by problematic sexual behaviours

Our **PURPOSE** is to bring the community together to build capacity to:

- Facilitate an evidence-based community response
- Identify gaps
- Develop strategies to address gaps
- Provide and support education and awareness
